

MAPPING CONTEST

Showcase your GIS skills at the Elevations Geospatial Summit by entering the GIS Colorado **2022 Mapping Contest!**

CATEGORIES

MAPS Stand-alone images analytical in nature. Creative, effective, beautiful, insightful integration of geospatial data.

ARTISTIC Innovative visual expression of cartography and geographic concepts, using any type of physical and/or digital media.

APPS Interactive application that may be consumed on a browser or mobile device. Effective, attractive, functional, engaging.

SECTIONS

PRO Open to current GISCO and WYGEO members, and EGS attendees and presenters.

STUDENT Enrolled in a certificate, undergraduate, or graduate program.

SUBMIT HERE: giscolorado.org/mapping-contest. Please include a short paragraph describing your entry, the purpose of the map, target audience, how it was created, and the reasons that prompted you to create the work.

DISPLAY & PRESENTATION: All entries will be displayed and contestants will give a brief presentation of their work at the [Elevations Geospatial Summit](#) in May 2022 in Steamboat Springs.

VOTING: Submissions will be voted on by a panel of judges.

AWARD CEREMONY: Winners will be celebrated in an awards ceremony on the last day of the conference. There will be one winner from each of the three categories for each section, Pro and Student, (six winners).

PEOPLES' CHOICE: Special recognition will be given to one entry for which votes will be cast by conference attendees and presenters.

Complete contest rules, giscolorado.org/mapping-contest. Questions: contest@giscolorado.org.
